It is with great pleasure that the Aloha Chapter of NCMA has as their luncheon speaker the Chief of Procurement for the local Pearl Harbor office of the Defense Information Technology Contracting Organization Pacific. **Speaking on the current IT Acquisition Environment and future trends.**

Mr Nakasone, As the Chief for the Hawaii Procurement Division and the Deputy for DITCO-PAC, he oversees and supervises 3 branch chiefs and a total staff of 26 government employees within PL7 to acquire various telecommunication services and equipment for DISA-PAC and the Military Departments. Current programs include, Joint Hawaii Information Transfer System (JHITS), DISN Transmission Services – Pacific (DTS-P II), and various IT and Telephony items. In the absence of the DITCO-PAC Chief, act as the Head of Contracting Office (HCO) and assume all duties and responsibilities for the day-to-day management of the office.

He is a cum laude in 1994 from Hawaii Pacific University in Honolulu, HI, with a Bachelor of Science Degree in Business while working as a full-time employee with the Department of the Army
